# Your Wedding Day Made Perfect

Our wedding guide is based on typical wedding flowers. As every wedding is different, the exact prices will depend on your full requirements, so the individual prices may be more or less depending on the season and flower choices you make. We are happy to work to the budget you have. At **GREENSTOCK** you are in charge & set your costs. We don't tie you in to a set package and will work together with weddings of any size or budget.

When you have chosen the style of your wedding and what you will wear on your special day, please get in touch to arrange a complimentary consultation with our wedding specialist. At this point we can put together your personally tailored package and go through every detail of your wedding by viewing images of bouquets and arrangements, including our portfolio of wedding work.

**\* A discount of 10% is available when full payment is made 1 month before the wedding.**

If you need any further advice, please do not hesitate to call us personally on 01-8210185 or email us at [info@greenstockflorists.ie](mailto:info@greenstockflorists.ie)

We look forward to making your wedding flowers as perfect as you have imagined.
